JANINE DE TOIT and Willem de Toit.

A SPECIAL selection of Knowledge to Action Unlimited Wealth delegates were invited to an intimate award ceremony at the Athlone Hotel, Capetown in December to drink, sample and an opportunity to reconnect with peers and award trading stories.

As the event, trading traders received the following awards: most improved trader, highest monthly return and most consistent monthly return.

The awards were presented by Greg Janse after gave a short, but powerful speech and revealed the ageing of his own trading floor in Cape Town and Johannesburg.
